Literature, most generically, is any body of written works. More restrictively, literature refers to writing considered to be an art form or any single writing deemed to have artistic or intellectual value, often due to deploying language in ways that differ from ordinary usage.

Literature - Wikipedia

Dramatic literature, the texts of plays that can be read, as distinct from being seen and heard in performance. The term dramatic literature implies a contradiction in that literature originally meant something written and drama meant something performed.
