Well dressed? The present and future sustainability of clothing and textiles in the United Kingdom. Well dressed? Our clothes are getting cheaper, they follow fashion more rapidly and weâ€™re buying more and more of them. At the same time, we hear more about poor working conditions in clothing factories, the greenhouse effect is becoming more threatening and the UK is facing a crisis in ...

After the invention of photography (including fashion photography), the industry boomed. In 1946, Ford Models was created by Eileen and Gerard Ford. Ford Models is one of the first and most prestigious modeling agencies in the world, and it opened many doors for models looking to build a career out of what was once just a hobby.
