While everyone seems to be interested in creating high-tech computer generated presentations, the flip chart still continues to be the most effective presentation media of all.

How to Use Flip Charts - presentation skills

Awesome post, Andrew! I think all the points you raised are true " but not for everyone. It takes a certain amount of exposure to the flip chart to use it properly " presenters need to have legible handwriting, not cover the flip chart as they write, and also keep some ready flip charts for non-candid scenarios.
