Who doesn't love music? Certainly there are some of us, but for the most part music is a big part of our lives. Whether it's the music that we listen to on the way to work, while we workout, or the music we hear in a symphony or film, it can bring up our moods, tell us a story or even bring us down.

7 Ways Music Benefits Your Heart, Brain & Health

I have written about diabetes quite a few times. Thus far, I must admit, I have kept the discussion relatively conventional. Anyone who has read my previous blogs may not think so, but compared to what I really believe, everything has taken place close to the middle ground.
