All our composite front and back doors come in a range of colours, from classic Black to vintage Duck Egg Blue or contemporary Moondust Grey. There are over 10 different glazing options to choose from to further personalise your door, plus high quality hardware to add the finishing touches.

Contemporary UPVC Composite Front & Back Doors | Eurocell

Cottage & stable doors can be used at the front or back of the house, but a lot of buyers like to just use them at the back of the home – especially the stable door design. Cottage doors most often are designed to give a ‘rustic’ look in keeping with what you would imagine the door of a real country cottage would look like.
