iii WORLD CITIES REPORT 2016 Foreword Ban Ki-moon secretary-general United nations tive and negative sides of this ledger, cities have been a primary arena where change takes place.

World Cities Report 2016: Urbanization and development

All cities are unique, and this diversity means that there is no "one"™ future of cities or model pathway to follow: those concerned with the future of a given city, or system of cities, will have to forge their own paths and do their own future thinking.
