International relations theory is the study of international relations (IR) from a theoretical perspective. It attempts to provide a conceptual framework upon which international relations can be analyzed. Ole Holsti describes international relations theories as acting like pairs of coloured sunglasses that allow the wearer to see only salient ...

Being a guy who writes science fiction, people expect me to be well-informed about the current state of the field—as if I'm a book reviewer who reads everything published in my own approximate area.

### **Why I barely read SF these days - Charlie's Diary**

This guide stresses the systematic causal analysis of gender inequality. The analytical questions raised and the readings listed consider why and how gender inequality arises, varies across and within societies, persists over generations, produces conformity by individuals and institutions, resists change, and ...

Brian. It seems to me that there's an increasing tendency nowadays towards representing Paganism (in general) and particular traditions (such as Wicca) as being inclusive and accepting of all gender-identifications (sometimes with the assertion that this has "unlike mainstream religion" always been the case).
